

## **WATER AND WATER SERVICEMAN**

The City of Holly Springs Utility Department is accepting applications to fill the position of Water/Wastewater Serviceman.

**JOB TITLE:** WATER/WASTEWATER SERVICEMAN

**DUTIES:** Performs skilled work in the inspection, construction, operations, and maintenance of the water and wastewater system.

**QUALIFICATIONS:** High School Diploma or General Educational Development (GED). Knowledge of construction materials, practices, and techniques preferred. Ability to learn the proper operation of equipment, including backhoes, trenchers, and other tools and equipment used in performing water and wastewater functions. Effective communication (oral and written). Commitment to safety in all aspects of the job. Valid Mississippi driver's license and Commercial Driver's License (CDL) must be obtained within time frame determined upon entry into position.

**WORK ENVIRONMENT:** The work is performed primarily outside under varying conditions, including time spent at construction sites. There is potential for exposure to construction hazards, including gas fires and explosions. Physical stamina is required. Mobility to and from various work areas and external facilities is required. Physical activities include sitting, walking on varying terrains, bending, crouching, kneeling, reaching, standing, pushing, pulling, stooping, crawling in tight spaces (e.g. sewer manholes) and heavy lifting. There is potential for contact with raw sewage, methane gas, and hydrogen sulfide. The noise level varies when working outside. Effective vision (near or far) is required. Talking and hearing are necessary in communicating with others.

Employment applications are available at our office, 160 S. Memphis St., Holly Springs, MS 38635 or at [www.hollyspringsms.gov](http://www.hollyspringsms.gov). Applicants should bring or mail applications to:
